

Fraunhofer

TESTED[®] DEVICE

Membrane Pump
G3H_Gr.16 M211S

Confirmation

Using the FT/IR (Fourier transform infrared spectroscopy) trace analysis method, the liquid being advanced with the

membrane pump G3H_Gr.16 M211S

manufactured by

**LEWA Herbert Ott GmbH + Co,
Ulmer Strasse 10
D-71229 Leonberg
Germany**

was not contaminated by the lubricating oil.

For the correctness:

A handwritten signature in black ink, appearing to read 'Udo Sommer'.
