

Fraunhofer

TESTED[®] DEVICE

GEBHARDT Group
System 300

Report No. GE 1104-550

Qualification Certificate

This is to certify that the product mentioned above, provided by

GEBHARDT Fördertechnik GmbH
Sinsheim, Germany

has been awarded a Fraunhofer certificate TESTED DEVICE bearing the report number GE 1104-550.

In its present state, System 300 is not suitable for use in cleanrooms fulfilling ISO Class specifications in accordance with ISO 14644-1.

Under the condition that all problematic components mentioned in the report are appropriately altered as far as the selection and pairings of materials are concerned, that the system is supplied clean on delivery and that no excessive amounts of grease are utilized, it can be assumed that the system will be suitable for use in cleanrooms fulfilling ISO Class 7 specifications in accordance with ISO 14644-1.

Detailed information and parameters of the test environment can be found in the Fraunhofer IPA test report.

Stuttgart, September 15, 2011
